Dear Potential Sponsor:

We are excited to share a sponsorship opportunity with you that will greatly impact the lives of individuals in our community. If you are not familiar with HorseFriends, we are a non-profit (501c3)\* therapeutic riding program that serves individuals with conditions that may make it difficult to engage in the activities of daily life including, autism, cerebral palsy, Down syndrome, ADHD, and traumatic brain injury. Our services are provided FREE OF CHARGE to all participants.

On April 14, 2019 from 6:30 – 9:00 pm we are holding the *Boots and Buckles Benefit*, an evening of food and fun at Summerfield Farms, featuring Performing Artist Stephanie Quayle. Our goal is to raise \$75,000 to continue and expand our reach. While we are selling individual tickets to the event, we know corporate sponsors will allow us to have an even greater impact.

By becoming one of our corporate sponsors, your support will help toward:

- **Providing approximately 500 riding hours per year**
- **Training instructors for PATH Certification**
- **Caring for our horses**
- **Providing and updating therapeutic tools and games**
- **Advancing the mission of HorseFriends to serve more participants**

As an official sponsor your company's name will be widely promoted. The attached Sponsorship Levels document outlines the perks and incentives your company will enjoy.

Thank you in advance for your consideration. Please do not hesitate to contact Kara Jacobs at (336) 327-7658 or [karabjacobs@gmail.com](mailto:karabjacobs@gmail.com) about sponsorship. For more information about our services go to [www.HorseFriendsNC.org](http://www.HorseFriendsNC.org) or email us at [info@HorseFriendsNC.org](mailto:info@HorseFriendsNC.org).

*"HorseFriends has helped make Jeffrey really, really strong. Being on horses has built up his strength. He has gone from a wheel chair to a walker and I credit HorseFriends for that. HorseFriends has instilled self-confidence in Jeffrey and his faith in God has increased. He feels he has a purpose for living now."*

*Bonnie, mother of Jeffrey  
(Jeffrey is healing from a traumatic brain injury)*
